Hello! My name is Ramona Alexeeva. I was born in 2013 in Sofia, Bulgaria. I started training tennis when I was 6 yrs old. I competed against more advanced kids and unfortunately I lost all my first 21 games!

I was very stubborn and it didn't stop my

enthusiasm to train. One year later I made my first win and then a few months later I won my first international championship in Bucharest, Romania.

#Tennis In October, 2021 I won the Bronze medal in the Bulgarian National U8 Master Championship. Now I am already playing at a green court and I am

looking forward to my next competitions.

#Football I also love to play football. I started training a few months ago and its really exciting. The coach puts me to play as a right winger. I love to run and score goals.

Competition and sport is what I love to do. I believe with practice you can become better in everything. I dream to participate in tennis and football competitions.

#Thank you for supporting me!
