My dream is to play at Wimbledon one day. Tennis is always been a dream sport for me since the age of 4 years old when I first picked up a tennis racquet. My tennis idols are Ash Barty and Roger Federer. My goals are to be like them one day.

My dream started when i got signed with tamworth academy and i met my coach Dom. Now i want to keep on training to be a star one day. Right now Foden is my idol and i dream to play for Man City and England with him.

I have big goals and that comes with its challenges. Every lose makes me want to do better. Makes me

want to work harder.
